The Rolls Royce of Video Entertainment

10 Games In One

THE SILVER STREAK

Electro-Sport introduces "The Silver Streak", the latest addition to our long line of money making video Draw Poker games. The New Silver Streak comes complete with a video Setup Mode, featuring easy front panel "Push Button" programming, Choice of Card Graphics, Choice of Cabinet Design, Choice of 10 games, Choice of Player Panels, Choice of Coin Entry Locations, and offers more selectable games, options and features than any other Poker Machine on the market today. What does this mean to you, the machine owner? It means you can custom design your game to each location, it means less hassle and more profit in player appeal, and finally it means that you have programmable control over your money making investment!

THE NEW SETUP MODE

INTRODUCING the New Setup Mode from Electro-Sport with easy front panel access "Push Button" programming, giving you complete control of 23 different operator selectable options like. Jokers Up, Double Up, Bonus Poker, Raise Poker, Jacks or Aces, Music, Maximum Play, and much much more. No Dip Switches to fuss with, no P.C. Boards to change, all Setup Mode functions are adjustable through the front player panel. A Poker machine without a Setup Mode... is like Cool Hand Luke without a deck of cards!

FEATURES

- Choice of Card Graphics
- Choice of Cabinet Styles
- Choice of Player Panels
- Design the Game of Your Choice!
- Duel Coin Entries.
- Choice of Coin entry Locations.
- Choice of 10 different games.
- Setup Mode featuring 23 operator Selectable options

RAISE POKER

The Silver Streak offers our latest feature called "Raise Poker". Raise Poker allows the player the option of increasing his ante after seeing his first five cards. If your Poker machine doesn't have a Raise Feature... You don't have a Poker Machine!
